

CONSULAR WARDEN MESSAGE
January 31, 2008
U.S. Embassy Dakar

**Subject: Increases to U.S. Passport Fees and
New Parental Signature Requirements for U.S. Minors**

On February 1, 2008, the U.S. Government will increase its fees for certain U.S. citizen passport services. For adult applicants renewing a passport, the total fee will increase to \$75. For first-time applicants age 16 and over, the total fee will increase to \$100. The fee for minors under 16 years of age will be \$85.

Effective February 1, 2008, passport applicants who are U.S. citizen minors under the age of 16 must appear personally with their parents to establish identity, proof of citizenship and proof of relationship. For parental application permission, both parents must appear together and sign, or one parent may appear to sign and submit the other parent's notarized statement, or one parent may appear, sign, and submit primary evidence of sole authority. Minors age 16 and 17 may apply in person with their own identification, but for security reasons, parental consent may be required. If your child does not have identification of their own, a parent will be required to accompany the child and present identification.

Please refer to the Department of State's website at www.travel.state.gov for complete information on all new requirements, including downloadable revised forms that must be used as of February 1, and the U.S. Embassy website at <http://dakar.usembassy.gov>, for complete U.S. passport application instructions.
